

Post MPC Prayer Covering & Consolidation September 1-16, 2014

01.09.14 (Mon)

Praise God for all that HE has done! Continue to say “Yes” to HIM!

Pray for journey mercies for everyone to reach home safely, especially overseas speakers.

Pray for God’s protection for all.

02.09.14 (Tue)

Give thanks for God’s mighty hand through the MPC.

Pray for the work of the Holy Spirit to deepen in His people and pray against complacency and unbelief; pray against the works of the evil one.

03.09.14 (Wed)

Thank God for all His help, provision, protection and most of all for His personal touch on every one present at MPC!

Pray that those who have attended MPC will share and impart what they have learnt & experienced to their churches, families & friends.

04.09.14 (Thr)

Praise God for His Calling & good purposes for the Methodist Church in Malaysia for such a time as this!

Praise HIM for the wonderful experience of worshipping and seeking HIM together as one family unit – multi-racial, multi-lingual, multi-cultural & multi-expression!

05.09.14 (Fri)

Praise God for His Love for every one of us and also His Love for His church – the Bride of Christ!

Pray for increasing willingness, deeper commitment & greater hunger for GOD, that we are a people and a church after His Own Heart!

06.09.14 (Sat)

Praise God that HE longs to share His Heart with His Bride and that HE chooses to defeat His enemies by His Church (Matt 16: 18-19, Eph 3:10).

Pray that we become men & women & children of prayer, that praying unceasingly becomes a reality in our daily living.

07.09.14 (Sun)

Praise God once again for the Stadium Celebration Service that we had on National Day, how heaven & earth joined in worshipping the KING!

Pray that we will grow in our life of worship: moving deeper, higher, in new ways & at new levels as we yearn for the Holy Spirit to lead us.

08.09.14 (Mon)

Continue to give thanks for MPC3! Ask God to protect & bless those who have contributed and served in one way or another.

Ask God to continue to download His Heart to each and every one as we are all members of His Body!

09.09.14 (Tue)

Praise God that He is our Heavenly Father who gives good gifts to His children and answers our prayer beyond our wildest dreams!

Pray that God gives vision & strategies to our Bishop, presidents, district superintendents, pastors & leaders for the advancement of His Kingdom.

10.09.14 (Wed)

Praise God for the **rich inheritance** He has given to the Methodist Church!

Ask the Holy Spirit to illumine us that we lay hold of our spiritual heritage.

If you are not sure of the rich Methodist Heritage, ask your pastor, search in your church library or on the web.

11.09.14 (Thr)

Praise God that HE raised up the Wesleyan Revival Movement during John Wesley's time to deter the corruption of society, e.g. drunkenness, child labour, etc.

Ask God to use the Methodist Church today. Let us pray against corruption in our society.

12.09.14 (Fri)

Praise God that HE brought **renewal** to the nation England during John Wesley's days.

Pray that HE who is the same yesterday, today & forever bring **renewal** to Malaysia even through His church!

13.09.14 (Sat)

Praise God that the people called Methodist faithfully visited the poor & those in prison every week and reported to their class meetings (small group/cell group) when the Wesleyan Revival Movement started.

Pray that our churches will engage in society and become a blessing to our community.

14.09.14 (Sun)

Praise God that **Holiness** was a hallmark of the early Methodist!

As we worship in our churches on this Sunday, let us repent and ask God for forgiveness for where we have fallen short of this standard of holiness and ask for His Spirit of Fire to purify & ignite us once again!

15.09.14 (Mon)

This is the eve of Malaysia Day. Let us give thanks that HE put Sabah, Sarawak & Semenanjung together, to form Malaysia. And Malaysians are made up of Indigenous people, Malays, Chinese, Indians and other races.

Praise God that in the Methodist Family we need to use English, Chinese, Tamil & BM to communicate with the various family members, too! Pray for love & unity – in the church and in the nation!

16.09.14 (Tue)

This is Malaysia Day! Let us celebrate, let us give thanks for the uniqueness of our nation: richness in natural resources, safety from natural disaster, diversity in her people and culture – *Malaysia truly Asia!*

Let us pray for a New Season in the life of the Nation and the Church!
